devullu.com Astrology Books, ... Telugu Books Pdf ... Telugu Book Puttumachhala Phalitalu | Devullu.com... Astrology is the
science of the stars, in which everything related to the horoscope is determined by the position of the stars at a certain point in
time, in a particular place, i.e. at the time of a person's birth. Throughout his life, a person constantly interacts with the outside
world. This interaction in astrology is defined as a cosmogram.
