---

History 3DXChat is a free 3D sex game that features live and interactive 3D sex with real people in a virtual world. 3DXChat is available for free for all desktop and mobile platforms, including Google Chrome, iOS, Android, Windows, and more. 3DXChat is free to play, and there are no ads, in-game purchases, subscriptions, or other third-

---

party fees. 3DXChat is built on our company's proprietary platform, which has a dedicated and growing community of gamers who play with each other, communicate and build relationships. Players interact with one another in our virtual world through private spaces called rooms, or other 3DXChat game-specific rooms. 3DXChat gameplay consists of a variety of

---

activities, including sex, role-play, humor, and more. Players can text one another, create groups, chat with their friends, or interact with other players in their community. Gamers can choose from multiple genitals, skin tones, and other appearance options, and outfit their virtual avatars in a variety of characters and costumes. Players can quickly and easily add friends by

---

typing in their phone number, email address, nickname, or any other nickname. The chat system lets gamers create groups for special interests or purposes and also share individual “likes.” Users can connect with other players from the comfort of their homes through a web browser or download the player app for each platform, which includes iPhone, Android,

---

Windows, and iPad. 3DXChat  
gameplay is a free experience  
that is entirely free-to-play.  
Every aspect of 3DXChat is free  
to enjoy. Gamers can be as  
naughty as they'd like and have  
the freedom to use their virtual  
money to purchase virtual goods  
or upgrade their characters.  
3DXChat is a mobile ready app.  
It is playable on iPhone, iPad,  
Android smartphones and

---

tablets, and Windows  
smartphones and tablets.
