I am a football fan, but a big part of my enjoyment of the sport is watching the classics. I've seen lots of big races over the years, but I always try to see every Derby and I love the thrill of the big ones, like Epsom and possibly a couple of those 'go-fasters' like York, Chepstow, Lingfield. I also like to see the 4yo and 6yo juveniles (or 'Yongs' as I call them). On the day I am most pleased that I am able to do what I love and support my team. Well I would say I am married, but I am single and I do not have kids. I am very busy traveling about the world with my family while I ride. It is not easy and it takes lots of time. There are also other things that I am doing, such as festivals and concerts to support in all the different areas I am spread all about the world. I am a photographer and sing and play music with my bands on most gigs. I love performing for people as I love meeting new people and sharing my music with them. I have been living away from my parents and family for the last 6 years which is very hard. It is the hardest and most difficult thing I have ever had to do. It is really hard to be away from my family and miss them when they can't come visit. It is such a bittersweet and ultimately
