To use the microsoft visual basic code in this file type, save the file as visual.bas. To run this program on startup, choose Start > Run and type visual > visual.bas and press enter. The next time your computer boots up, Windows will automatically display the Cash Advance Screensaver. User Reviews DayCash, the Payday Cash Advance Screensaver is well known as a payday cash advance company in addition it's Dec 23, 2015 DayCash, the Payday Cash Advance Screensaver is well known as a payday cash advance company in addition it's a payday loan company. On March 1, 2012, DayCash announced a new service called Cash Back. With Cash Back, users do not need to apply for a payday loan. Instead, if you go to a participating business that accepts Cash Back, you can choose to get a rebate on a future purchase of your choice. Many of the business offers can be seen at your local grocery store. Chase credit card offers similar rewards to Cash Back. It uses a card called the Chase Freedom. Similar to the Cash Back program, it is linked to a bank account. For example, you might want to get a rebate on your next gas purchase to conserve money. Cash back comes directly from your bank account. Chase gives 1% cash back on every purchase
