

Listen to Petit Ours Brun on Amazon Music. Watch ad-free or buy CDs and MP3s now from Amazon. Petit Ours Brun was one of the biggest favorites on Elton John's first tour of France and his first album, The Sound of Music (1993), hit number one in the UK and was certified platinum in the United Kingdom. This was at a time when Elton John was still young and his music was more traditional - and more traditional than most of his contemporary artists. However, his music still evokes a lot of memories and emotions.
