## **Elden Ring Features Key:**

1. Asynchronous Online Play: A unique online play element where you can feel other players' presence through the Field of Dreams.
2. An Ever-Pleasing Battle System: Tons of action RPG fun. You can play solo and feel the presence of other players through the field of dreams.
3. Fringe of Reality: As the Lands Between is ravaged by the war of magicians and the Elden Ring is in a state of chaos, players can explore the surreal world.
4. Tailor-Made Actions and Heroes: With a simple interface and rich background, it's not difficult to control the flow of the battle. Players can roam around freely and create adventure heroes of their own.
5. An Ever-Growing Story: New scenarios are added to the field of dreams every month.
6. Exhaustive Map: At the end of the day, the game can be enjoyed no matter which characters you play as.
7. Various Raid Battles: Up to 30 hours of interesting action.
8. Huge and Cozy Dungeon: Three-dimensional network maps and rich art.
9. Various Battle Classes: Include all sorts of monsters and mobs. The first cycle is for warriors, the second for magicians, and the third for defenders and hunters.
10. Free Original Soundtrack: The campaign and end card songs are sung by Sanalou, an internationally famous songwriter.
11. Free Character Paintable: A free program is available which makes it easy to create your own illustrations.
12. Free Add-Ons: This update includes some free DLC.
13. Demonstration Version: The demo is now available on the Open Beta Testnet.
14. English and Traditional Chinese version: It will be supported for all of the lands of the Lands Between.
15. Windows macOS and Linux versions: Linux version is supported.
