You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic.
- An Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama in which the various thoughts of the characters

What's new:**Progress Information**

Progress information is divided into: Game Information, Character Information, Combat, Items, Crafting, and Skills and Abilities.

Game Information displays general information of the game, such as date, date added, and current progress.

Character Information displays information on character stats such as Appearance, Magic Points and HP.

Combat displays information on objectives, cooldown, effects, and so on.

Items displays information on items, including their effects, and their purchase prices.

Crafting displays information such as materials needed, how to craft, and necessary ingredients.

Skills and Abilities displays the skills that can be learned and skills that can be taught.

All subtitles of the information displayed on the right side of the screen are selectable using icons.

If no information is displayed on the right side of the screen, it is because you are not enjoying the current game; if that is the case, increase your quality.

Purchase Information**Character Creation****Useful Information**

Each character can be freely regenerated using money. The amount of money will be displayed when you enter the character creation menu.

The following stats can be completely customized when you enter the character creation menu:
