#### Elden Ring Features Key:

Action RPG combat style. Fluid and graceful combat that depicts the vitality of the Elden Lords.  
3D motion and easy movement around the world. Smooth the transition to and from combat.  
A variety of strategic possibilities in combat and tactics.  
Discover the Wondrous Lands Between with a massive adventure spanning the world. Unprecedented worlds, limitless choices, and interwoven stories of justice and revenge.

THE FULL COLLECTION OF CLASSIC CLASSICS WILL BE SUPPORTED

STORY - You are Tarnished, a former guild leader who once led her organization with strength, advocating justice and fighting for the oppressed. Now, you are banished from the Lands Between, the world of the guilds. But when the time of your second punishment comes, you hear that your daughter, a rare witness to the richness and grandeur of the Lands Between, is sickly and has fallen prey to addiction. Will you go to the extent of even leaving everything behind, to restore your daughter?

GENRE - RPG: Strategy action game

COMMANDER - Tarnished is a pioneering war band leader. In the Lands Between, you can freely change classes by feeding leather into the crafting system. You can ride a horse into battle or transport items via teleportation. When the battle front is in front of you, you command where the army should go and what must be sacrificed to win.

EXECUTION - RadiantEA is one of the world's leading third-party development studios. Looking to create world-class games, the studio started its overseas branch Radiant in Tokyo, Japan in 2000. Over the years, Radiant and other subsidiaries have also launched a number of successful indie titles such as the "Fate/EX," fantasy action hit "Fate/stay night Unlimited Codes" and the "Dragon Quest X" anime Pilot.
