She should change to a religion which does not believe such a ridiculous thing as that God will judge people for doing wrong. 31 That's why God has made Islam as the religion of the world. And it's obvious to the whole world that Islam has stood the test of time and its stands by its followers despite all the atrocities committed by it. As long as the people follow the teachings of Islam they are safe from all the dangers. [Adil] Islam does not give the right to do wrong. Islam teaches us to respect all the beliefs of others, to be tolerant.
